

Storytelling Sensing / Consenting

with Agustin Ramos Anzorena, Diego Valverde, Isabel Paehr & Ren Loren Britton

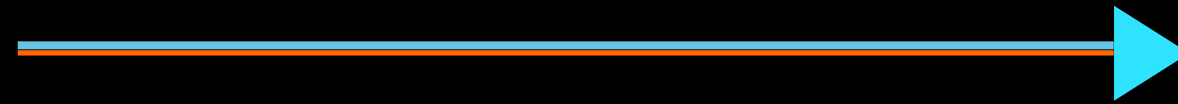

idea

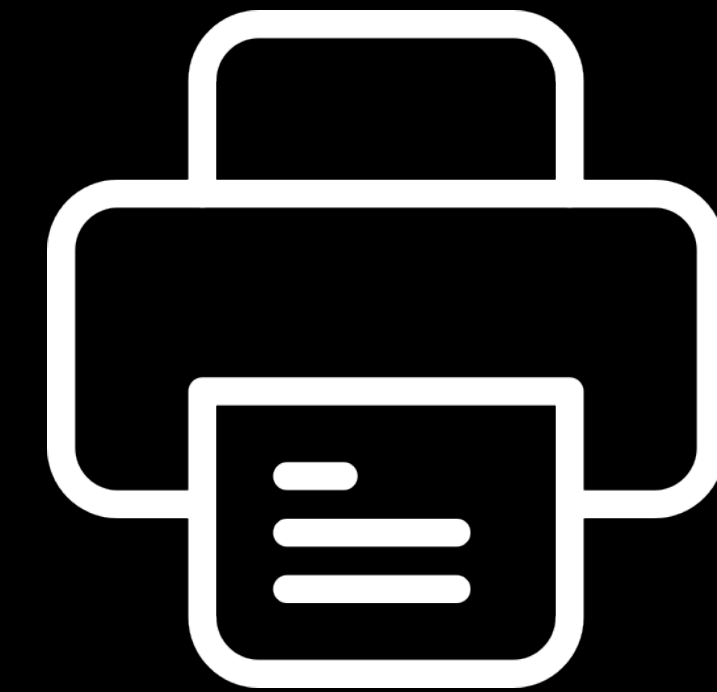

installation: taking a walk through Brussels with sensors inputs values of consent into SENSOLUS terms & conditions

installation: a POEM is generated by moving through the city

bookshelf
installation

generated
POEM

As the time is not under the control of SENSOLUS,
it can never be responsible for any
sense or allyship in this regard.
